

In the Drawings:

Applicant is submitting a proposed new FIG. 12. Newly proposed FIG. 12 is being submitted in order to show an example of the embodiments described at page 8, lines 27-29 of Applicant's specification. It is not believed that new FIG. 12 involves new matter since it regards a variation of the embodiment of FIG. 11 where items 6 and 9 have been interchanged as suggested by the passage starting at page 8, line 27 of the specification. Accordingly, please indicate whether the new FIG. 12 is acceptable in the next Office Action.
